Re: Amendments to Master Plan of Transportation

Dear Councilmembers:

The North College Park Citizens Association met on October 8 and debated several of the proposed amendments to the Master Plan of Transportation. Members present voted on the following proposed amendments and projects:

- **In favor of** proposed amendment 12, item 15, *No. 122 Rhode Island Trolley Trail*, to extend the Project Limit to Quimby Avenue and make other minor changes.
- **In favor of** proposed amendment 12, item 16, to add a project for Bike Lanes on Edgewood Road from US 1 east to 53rd Avenue.
- **In favor of** proposed amendment 12, item 18, to delete the Pedestrian bridge from College Park.
- **In favor of** proposed amendment 30, item 9, to reduce the number of lanes on Rhode Island Avenue to 2.
- **Opposed to** amendment 30, item 15, *P-200 Autoville Drive*, to change the limits of the project. NCPCA requests the outright deletion of P-200, rather than just changing its limits.

Respectfully,

Lawrence R. Bleau
President, NCPCA
