Greenbelt, MD 20770

December 10, 2019

Dear Mr. Taub,

The North College Park Community Association would like to express its appreciation for the presentation by Mr. Ralph Bell of Roadside Developers and you, regarding the proposed WaWa at the IKEA property in College Park. Subsequently, the association voted not to stand in opposition to the development. We would, however, appreciate you keeping us apprised of any future developments on the project.

Sincerely,

Mary C. Cook
President, NCPCA

cc: College Park City Council
Councilmember Tom Dernoga
